

StoryTTS

License agreement

The X-LANCE Laboratory of the Department of Computer Science and Engineering, Shanghai Jiao Tong University makes the StoryTTS available to the scientific community. The dataset serves as a resource for expressive text-to-speech research. The audio's original creator is the sole owner of the copyright. Upon signing this form, the data is made available for research purposes. The requestor accepts these conditions:

- **Research only** : The dataset is solely made available for research use; data cannot be used for any commercial purpose.
- **Redistribution**: The dataset will not be distributed, full or in part, to any third party.
- **Publication**: Only illustrative uses of the data are permitted in scientific papers.
- **Citation**: Each publication on research that makes use of the dataset must include citations.
